INTRODUCING THE ACT SUPERSCORE

This year for the national ACT test, we’re introducing superscoring to give you greater confidence that your scores reflect your overall academic achievement and potential.

Superscoring

Keep your best section scores and use your best overall score.

The ACT Superscore takes the average of your four best subject scores from each ACT test attempt—and counts it as your official score.

4 WAYS
THE ACT CAN HELP YOU GET WHERE YOU’RE GOING

1
**Scholarships**
Taking the ACT can increase your chances of earning scholarships. A school counselor in Maine found that over 10 years students who took both the ACT and SAT earned merit awards that were 3 times higher with the ACT test.

2
**College and Career Planning**
ACT scores do more than get you into college. ACT test results include an education and career planning section that can direct you toward the best path to college and career success.

3
**English Learner Support**
The ACT test is the only college entrance exam that provides support to English learners on national test dates to ensure that the test scores students earn accurately reflect what they learned in school.

4
**STEM Readiness**
The ACT test is the only national college entrance exam to measure science skills, including a reportable STEM score, letting you know if you are ready for a STEM major.

Whether your plans after high school include an internship, working during college, or going straight into the workforce, you can showcase your skills to employers of all kinds with ACT® WorkKeys®.

More than ever, people are entering the workforce unprepared. After taking WorkKeys, you will understand your strengths, weaknesses, and how you stack up to what employers expect.

If you complete the three WorkKeys assessments—Applied Math, Graphic Literacy, and Workplace Documents—you can earn the ACT® WorkKeys® National Career Readiness Certificate® (NCRC®).

With WorkKeys, you are in control—you can take it on your own time, as many times as you want, and only share scores with employers when you’re ready.
